## *The “Minas way” of saying it’s good for real, really good!*

We are a family that, wherever we go, we take our roots and traditions with us in our hearts.

There’s always a room for another person, Minas cheese and a good conversation never run short at our table.

We believe that happiness resides in the small things and that a good meal means a full house, a grandmother’s hug, it’s seeing the time pass by the window, a hot cup of coffee, the smell of cheese bread baking in the oven and a recipe that’s been passed down for generations...

From the mountains of Minas Gerais to the World, our products win over through the flavor, texture, aroma and rich nutrients. As proud Brazilians from Minas that we are, we can say that CHEESE is our greatest treasure and LOVE is our special ingredient.
